DISTRIBUTED BY

Flathead
Beverage

Our Flathead Cherry Ale is a refreshing blend of a light-colored beer and a cherry flavor. VERY drinkable and refreshing!

5.5% Alc/Wt. & 10 IBU

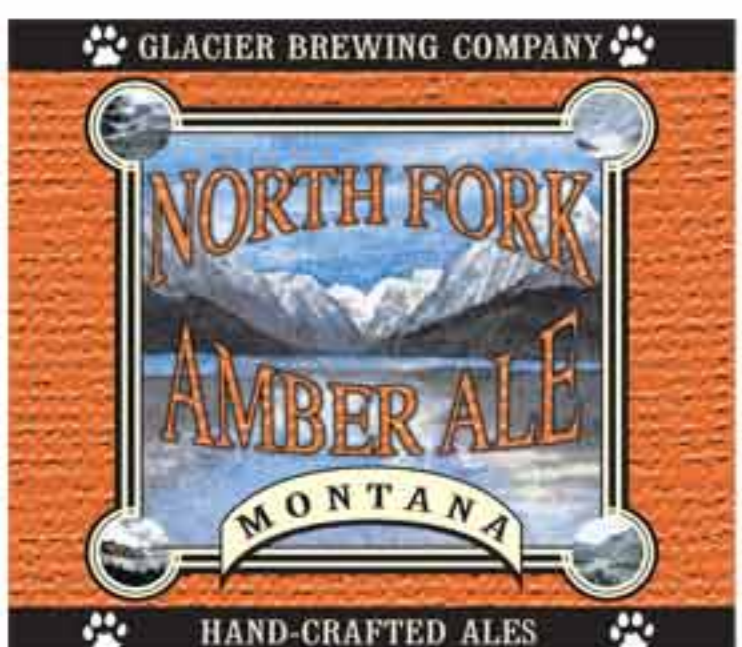

Our Port Polson Pilsner is brewed in the widely popular style of an American Pilsner, very light in body and color, distinctive hop aroma and finish, and a moderate alcohol content.

5.5% Alc/Wt. & 10.6 IBU

Our Golden Grizzly Ale is a German Kolsch beer. A light bodied, moderately hopped ale, with a rich light golden color. It is an excellent accompaniment to an afternoon lunch or the evening meal when the beer drinker chooses to enjoy two or three beers without becoming filled up.

5.5% Alc/Wt. & 22.1 IBU

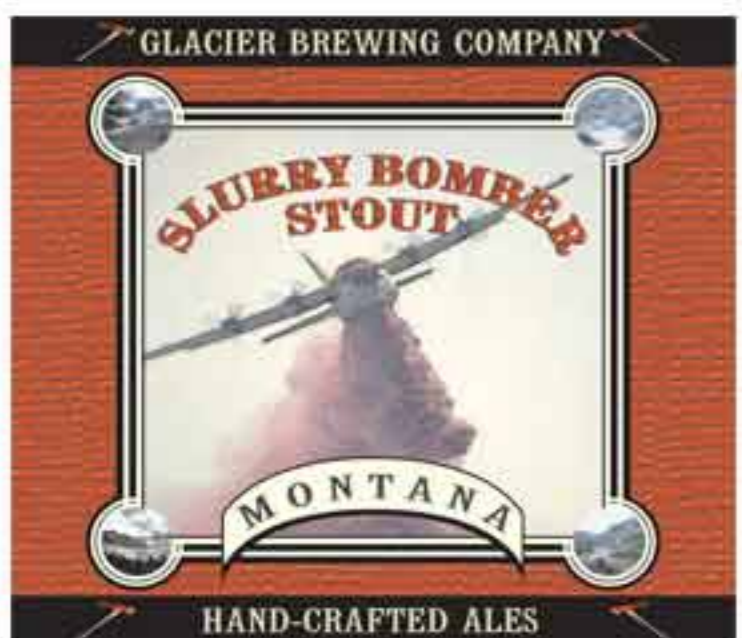

Our North Fork Amber Ale is a Dusseldorf Alt. This amber ale has a lightly sweet, malty flavor, balanced by the aroma hops. It is medium bodied and deep amber-red in color. It is a beer which is satisfying to even the experienced ale drinker.

5.5% Alc/Wt. & 36.6 IBU

One of the first things you notice about our Glacier Select Oktoberfest is the beautiful dark copper-amber color. Next, you enjoy the subtle aroma of Noble German hops. Finally, a complicated but balanced malt and hop mouthfeel.

6.7% Alc/Wt. & 21.8 IBU

Our Slurry Bomber Stout, a foreign-style stout, has a distinct roasted-chocolate, creamy flavor, nicely accented with the mild aroma hop nose characteristic of premium hops. This stout is fairly dry, moderately bodied, and very dark.

5.5% Alc/Wt. & 39.3 IBU

We brew this soda utilizing authentic roots and barks together with a select root beer base. It is a soda that is slightly richer in body than most industrially produced root beers. It is designed for the customer who wishes to enjoy a truly handcrafted, soft drink.

Non-Alcoholic

Our Cherry Creme Soda is brewed mixing the wonderful flavors of cherries and heavy creme soda. It is a great addition to a beautiful, sunny Northwest Montana day!

Non-Alcoholic

Our beers and sodas are available in 1/2 Barrel (15.5 gal.) and 1/6 Barrel (5.1 gal.) kegs, and six-packs (limited availability).
